

These days, there is indeed extreme danger to life and property in the USA, and flying the flag upside down has never been more appropriate. We have kicked God and the Lord Jesus Christ out of everything. We have canceled the same Ten Commandments our Founding Fathers deemed essential to national security (Israel, despite all her rebellion against God, has never dared to cancel the Ten Commandments from public life). We butcher our unborn children (60+ million since 1973). We teach our little boys that they can be little girls. We celebrate all forms of sexual perversion. Today, America is where the love of money is indeed the root of all evil, where men are cowards and the family is assailed, where dummies govern and the liberties that our fathers bled and died to secure are cast aside in the name of "health & safety." The United States of America is in DIRE DISTRESS. She doesn't have a political problem. She has a great big SPIRITUAL PROBLEM. More than 100 years ago, Teddy Roosevelt forewarned: **"No glory and no prosperity can save a nation that is rotten at heart."** We ignored this warning. If we refuse to REPENT, the greatest danger to our lives and property won't come from political tyrants or fake presidents, but from the holy and vengeful God of the Bible who judges nations, especially those who once feared Him and now reject Him (Psalm 9:17, Jeremiah 18:9-10). Of such a nation, the LORD says, "their foot shall slide in due time" (Deuteronomy 32:35). Yet, there is HOPE, if not for America, for every living and breathing American (Jeremiah 18:7-8): You can escape God's judgment and find shelter in the MESSIAH, Jesus Christ. He died on the cross to pay for sin, to redeem the sinner, and to satisfy the wrath of God. He was buried, and He rose up from the grave, defeating death and proving that God accepted His sacrifice IN YOUR STEAD. Repent and trust JESUS OF THE BIBLE! Only He can save you TO God and FROM God. By Him, God promises to forgive your sins, dismiss your case, and grant to you eternal life. Then, your destiny won't be like that of an unrepentant nation in dire distress. Read the Bible. Check for yourself to see if these things are true. *"How shall we escape if we neglect so great salvation?"* (Hebrews 2:3).
